## Requirements of the Latin language courses

### Attendance

Language class attendance is compulsory. The maximum percentage of allowable absences is 10 % of the classes. Students arriving more than ten minutes late for the classes are not allowed to enter the class. Being late is counted as an absence. If the number of absences is more than two, the final signature is refused and the student must repeat the course.

The missed classes may be made up only in the same week. Maximally, one language class may be made up with another group and students have to ask for written permission (via e-mail) 24 hours in advance from the teacher whose class they would like to attend for a makeup class because of the limited seats available.

Students are required to bring the coursebook or other study material given out for the course with them to each language class. Active participation is evaluated by the teacher in every class. If students' behaviour or conduct does not meet the requirements of active participation or students fail to bring the coursebook to the class the attendance might be refused.

### **Testing, evaluation**

In each Latin language course, students must sit for 2 written language tests. A further minimum requirement is the knowledge of 300 words per semester announced on the first week. There is a written word quiz in the first 5-10 minutes of the class, every week. If a student does not have 4-4 successful word quizzes till the mid-term and end-term tests he/she is not allowed to sit for the test. If a student does not have minimum 8 successful word quizzes he/she has to take a vocabulary exam that includes all 300 words at the end of semester. A failed or missed word quiz can be made up not later than one week and only with the student's own teacher. Students can obtain bonus points (5-5%) by taking all the word quizzes successfully.

Based on the final score the grades are given according to the following table:

<b>Final score</b>	<b>Grade</b>
0 - 59	fail (1)
60-69	pass (2)
70-79	satisfactory (3)
80-89	good (4)
90-100	excellent (5)

If the final score is below 60, the student once can take a remedial exam covering the whole semester's material.

### **Consultation classes**

In each language course once a week students may attend a consultation class with one of the teachers of that subject in which they can ask their questions and ask for further explanations of the material covered in that week. These classes are optional.
