## Course requirements

### Attendance

Language class attendance is compulsory. The maximum percentage of allowable absences is 10 % of the classes. Students arriving more than ten minutes late for the classes are not allowed to enter the class. Being late is counted as an absence. If the number of absences is more than two, the final signature is refused and the student must repeat the course.

The missed classes may be made up only in the same week. Maximally, one language class may be made up with another group and students have to ask for written permission (via e-mail) 24 hours in advance from the teacher whose class they would like to attend for a makeup class because of the limited seats available.

Students are required to bring the coursebook or other study material given out for the course with them to each language class. Active participation is evaluated by the teacher in every class. If students' behaviour or conduct does not meet the requirements of active participation or students fail to bring the coursebook to the class the attendance might be refused.

### **Testing, evaluation**

In each Hungarian language course, students must sit for 2 written language tests and a short minimal oral exam.

A further minimum requirement is the knowledge of 200 words per semester announced on the first week. There is an obligatory word quiz in the first 5-10 minutes of the class, every week. If a student does not have 5-5 successful word quizzes till the mid-term and end-term tests is not allowed to sit for the test. If a student has any failed or missed word quizzes he/she has to take a vocabulary exam that includes all 200 words along with the oral exam. A failed or missed word quiz can be made up not later than one week and only with the student's own teacher. Students can obtain bonus points (5-5%) by taking two extra vocabulary quizzes containing 20-20 sentences taken from the units of the coursebook. These extra quizzes take place before the mid-term and the end-term tests.

The oral exam consists of a role-play randomly chosen from a list of situations announced in the beginning of the course. Failing the oral exam results in failing the whole course. The result of the oral exam is added to the results of the mid-term and end-term tests.

Based on the final score the grades are given according to the following table:

<b>Final score</b>	<b>Grade</b>
0 - 59	fail (1)
60-69	pass (2)
70-79	satisfactory (3)
80-89	good (4)
90-100	excellent (5)

If the final score is below 60, the student once can take a written remedial exam covering the whole semester's material.

### **Consultation classes**

In each language course once a week students may attend a consultation class with one of the teachers of that subject in which they can ask their questions and ask for further explanations of the material covered in that week. These classes are optional.
